

NONPROFIT RESILIENCY FOR 2024 & BEYOND

Executive Director & Deputy Director Training Series

Purpose

The Asian American Federation's **Nonprofit Resiliency for 2024 & Beyond** series is intended to serve Executive Directors, Deputy Directors, or those serving in similar roles through a four session series focused on increasing knowledge and building capacity among nonprofit leadership to create sustainable organizations.

This series is structured as four sessions, with the first and last sessions in-person for both Executive Directors and Deputy Directors. Sessions two and three will be virtual for Executive Directors and Deputy Directors, respectively.

Eligibility

Participant must be an Executive Director or Deputy Director at an organization that serves communities of color.
